

Blue Parkway Town Center Mixed-Use Development Kansas City, Missouri

Principal-In-Charge:
Leonard Graham, PE

Project Manager:
Michael Nosseir, PE

Construction Cost:
\$18 Million

Delivery Date:
June 2005

The Blue Parkway Town Center project involved construction of a 160,000-square-foot, multi-use development that included:

- A 55,000-square-foot grocery store
- Associated parking
- Several retail stores
- Office buildings

The project site is located in the middle of a 30-acre urban development site and required mass grading and relocation of major infrastructures, such as sewers as well as major power and telephone lines.

Taliaferro & Browne, Inc. provided all civil engineering services, including master planning and preparation of construction documents for all streets, roundabouts, service roadways, parking lots, utilities, and retaining walls.
