

New Paseo High School

Kansas City, Missouri

Principal-In-Charge:
Hagos Andebrhan, PE

Project Manager:
Michael Nossier, PE

Construction Cost:
\$24 Million

Delivery Date:
1986

The New Paseo High School project involved construction of a new Visual and Performing Arts Magnet School as a part of the Kansas City, Missouri Capital Improvement Program. The combined facility contains 98,250 net square feet and accommodates a total of 1,800 students.

Taliaferro and Browne provided structural/civil/site/utility design, including storm drainage studies, curb and paving details, grate inlet sizing, utility plans, sewer extension plans, domestic and fire water service, relocation and extension of water mains within public right-of-way, and retaining wall design.
