

Plaza Colonnade Kansas City, Missouri

Principal-In-Charge:
Leonard Graham, PE

Project Manager:
Kurt A. Mitscher, PE

Construction Cost:
\$70 Million

Delivery Date:
Nov 2004

The Plaza Colonnade project involved construction of the Plaza Library, a nine-story office tower and an eight-story parking garage.

Taliaferro & Browne provided civil engineering services including: preparation of mass excavation plans, site grading, curb and gutter, parking lot design, water main extension, storm and sanitary sewers, and water services. Additionally, we developed traffic signal improvements and the schematic plan design as well as final design documents, structural inspections, and surveys.

Clients:
BNIM Architects
